EXPERIENCE

SNACK N' DASH

University of Texas at Austin

April 2023

- As team lead, I delegated roles and created the repo for our project.
- Found and integrated two third-party APIs.
- Created the README and wiki page.
- Debugged our finished code, and worked with teammate to fix functionality issues within the main script file.
- Made with JavaScript, jQuery, HTML, CSS, & Bulma frame work

BUSY BEE WORK DAY SCHEDULER

University of Texas at Austin

April 2023

- Application that allows user to plan out their daily tasks, save them to come back to later, & ability to clear all data when we they want a refresh.
- Used Bootstrap framework to customize an otherwise cookie cutter assignment.
- Made with HTML, CSS, jQuery, Bootstrap
